# Château de La Chaize

## TASTING NOTES

Symbol of a time when the arts of the Kingdom of France were at their peak, this wine " Ballet des Plaisirs " refers to the ballet of Jean Baptiste Lully, contemporary of the founder of the Château: Jean François de La Chaize d'Aix.

Commented by Olivier Poussier:

**Color** : A beautiful dark ruby color with purple reflections

**Nose** : The nose is primary but defined by a beautiful ripeness of the grapes and a fresh imprint brought by the resonance of the soils. It's a delicate nose.

**Palate** : The palate shows good scope while being well maintained by a graphite frame that tightens and gives length. The fruit remains juicy. The material is balanced, homogeneous without excess richness. It is a classic Morgon without being the most concentrated. It seduces with its friendliness and digestible texture.

**Service temperature** : 14°C / 57°F

## AWARDS

94/100

James Suckling : "Stunning nose of sour cherries and black raspberries with hints of forest floor and pomegranate. A very impressive Morgon in which power, freshness and elegance are effortlessly married. Wonderful texture on the concentrated and polished palate. Very long and polished finish."
